

ENTREPRENEURS: Take Advantage of a Fast Growing Market!

Discover home/office automation!

Home Technology Integrator Program

Business & Industry Institute

Classes available at our Downtown Mesa facility
145 N. Centennial Way, Mesa
or classes may be offered at your site!

- ✓ Understand how Home Technology Integration (HTI) is used in today's consumer market.
- ✓ Learn the technology areas that make up a complete HTI system.
- ✓ Learn important benefits HTI systems provide your customers.
- ✓ Define some of the knowledge and hands-on competencies needed by professionals.
- ✓ Learn how much HTI is enough for a given situation.
